COURTNEY LLOYD

Hi Courtney, welcome to Elite! What have you been up to? Hey guys! Thanks for having me! Oh God It's been a crazy few months. I've recently started at Level 13 Tattoo Studio in Brentwood, so I'm in the process of building up my new client base, working on some cool pieces and mainly spending my days goofing about the shop. I'm also off to L.A at the end of January, so I'm getting everything sorted for that!

What was it like to work with Chris on this shoot? Oh Chris was amazing to work with. We had such a giggle! It's really awesome when you find a photographer you just click with. Within the first five minutes we both knew we would just work well together to get some great shots. After about 20 brews later and Chris having to deal with my poor attempts to dance to Beyoncé, we got some amazing photos! He is an incredible photographer and definitely one to look out for.

Who have been your favourite models of 2014? Now this is a tough one. The faces of alternative modelling have really changed over the last year. There have been so many new stunners coming into the game. Of course my girls will always get my vote, Courtney Kelly Deeks, Terri Altilar, Lauren Brock, Jade Alison. To just name a few. But I have been lucky to work with some amazing ladies who are just gorgeous. Luna Ashes and Jade Fenix Hobday are two that have been rad to work with. Basically I'm a bit of a perve so I'm loving all the hot tattooed ladies in their pants on my insta newsfeed!

What was your favourite part of the shoot? We had such an amazing time shooting, it's hard to pick a favourite part. But I loved the floor set we done. The man knows how to work a floor I'll tell ya! We had such a laugh and for me I felt I made a mate out of it! That's the best thing in this game. The people you meet along the way.

Photographer: Chris Beasley | Words: Neale McGeever

**WHAT'S YOUR FAVOURITE FILM? MAN THIS IS NO FAIR I HAVE SO MANY!
I LOVE HOUSE OF A THOUSAND CORPSES! MOTHER FUCKER GOT BLOOD ON
MY FAVOURITE CLOWN SUITE! CAPTAIN SPAULDING IS THE MAN!**

IF YOU COULD BE ONE PERSON FOR THE DAY, WHO WOULD YOU BE AND WHY? HMM, OH MAN THIS IS HARD. I THINK I WOULD BE BEYONCÉ. PURELY SO I COULD SHAKE MY ASS AND NOT LOOK LIKE A DEMENTED MILEY CYRUS WHILST DOING IT! I WOULD HONESTLY JUST BE STRUTTING MY SHIT ALL DAY IF I WAS HER!

WHAT'S YOUR FAVOURITE FANCY DRESS OUTFIT? HMM I TEND TO NEVER DO THE SAME ONE MORE THAN ONCE. I'D REALLY LOVE TO GO AS LIKE A SEXY PLAGUE DOCTOR SOON OR MAYBE A SLUTTY SATANIC NUN IN LATEX! OH THAT COULD WORK!

Photographer: Chris Beasley | Words: Neale McGeever

Outside of modelling, do you have any other passions? My main passion outside of modelling is my one true love, tattooing. I find I'm like such a grandma before my time, all I do is sit in with tea, Netflix and drawing! It's something that I want to push myself to my limits. So I feel you can never work too hard at it and with the crazy talent that's out there. You have to put the hours in to just scratch the surface!

Tell us about your artistry and how you got in to it: I got into to tattooing about three years ago, I started my apprenticeship in Harlow. I learnt a lot. Marc Crummel at C13, is a man I will never stop thanking. He taught me so much and continues to inspire me. I always wanted to be smothered in tattoos since I was about 6 years old and then when I saw Kat Von D at about 13, I knew I wanted to tattoo.

If you could be in charge of Elite for one week, what would you do? Well are we being honest now?! Because if so, I would just be coming up with crazy shoot ideas and surrounding myself with all the hot tattooed chicks haha I'd probably try and do like a mad Charlie and the Chocolate Factory themed shoot because it's like my favourite things coming together. Sweets, chocolate and hot tattooed girls! Win!

If you could be a superhero, who would you be and why? I don't think I would want to be a super hero. I'd end up being a super villain. Like mojo jojo in Powerpuff Girls. I just like the fact he's an evil monkey with massive anger issues. Having said that I would love to be Ironman because he just seems to know how to party hard!

Where's the worst place you've been? The worst place I've been?! God, I think it would have to be the dodgiest pub in Harlow. Me and my friend Sophie went in there one evening for a laugh, and ended up getting a bucket of beer for 10 pounds! Yes a bucket! But I'm not going to lie it was grim. It was fun though, we got drunk and just embraced the craziness!

Do you have any crazy phobias? I do have one weird phobia. Collarbones. They freak me the hell out man! I can't have people touch mine and I don't tattoo them! Just makes me cringe the thought of it.

What's a guaranteed turn on for you? Oh my ears are what does it! I have totally got an ear thing! My other half always has to put up with me pulling his ears about!

A person with several tattoos is lying on a red surface. The visible tattoos include a large winged design on the upper arm, a detailed eye and face design on the forearm, and a pentagram on the lower arm. The person is wearing a black top with a sparkling detail. The background is a solid red color.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? THANK YOU TO ALL THAT FOLLOW MY MODELLING AND TATTOO WORK! THANKS ELITE FOR HAVING ME! IF YOU WANT TO SEE MORE YOU GUYS CAN FOLLOW ME ON INSTAGRAM @COURTNEYLLOYDTATTOO OR FIND ME AT LEVEL 13 TATTOO STUDIO IN BRENTWOOD ESSEX.

Photographer: Jack Russell | Words: Neale McGeever

YOU'RE ON OUR COVER, HOW DOES THAT FEEL? AMAZING! IT'S MY FIRST FRONT COVER SO I CAN'T WAIT TO SMUSH IT IN MY MATES' FACES AND BORE THEM WITH THE NEWS REPEATEDLY.

Hi Rouge, welcome back to Elite!
What have you been up to? Well I'd like to say working super hard on my degree but I have the American Netflix now so mainly pizza eating and watching entire series' at a time.

What was it like to work with Jack on this shoot? An absolute pleasure as per.

Who have been your favourite models of 2014? Eve Elizabeth, Jade Fenix-Hobday, Rebecca Anne-Latham, Linzie Belle and Roxy Reveals are my current top five. All seriously under rated and super gorgeous.

What was your favourite part of the shoot? He has a few cracking outtakes that are hideous but amusing. I didn't know my face could do those things.

Outside of modelling, do you have any other passions? Cats and gaming. I basically hate people and outside.

If you could be one person for the day, who would you be and why? Morgan Freeman, because I want to know how he hears his voice and if it's equally as amazing.

If you could be in charge of Elite for one week, what would you do? Remember the alt girl party? That but more models, pizza and booze.

If you could be a superhero, who would you be and why? Catwoman. She's sassy, has a fabulous collection of latex and she's a mad cat lady.

Photographer: Jack Russell
Words: Neale McGeever

Photographer: Jack Russell | Words: Neale McGeever

Where's the worst place you've been? I drove into a ditch once. That was pretty shitty.

What's your favourite film? I have about seven, but if I had to pick one - *Eternal Sunshine of the Spotless Mind*.

So how can a guy impress you? Don't try to impress me. I hate that the most.

What is the naughtiest thing you do? I spin round a pole for living, I guess that's something.

What's your favourite fancy dress outfit? I have an Umbreon onesie. It's the best thing.

COULD
SHE BEA
ANY
HOTTER?

Photographer: Tripodski
Words: Neale McGeever

Hi Bea, welcome to Elite! What have you been up to? Preparing for Christmas and New Years! Working my bottom off so I have plenty of money... To spend on alcohol.

What was it like to work with Tripodski on this shoot? Tripodski is a cool guy, I had a lot of fun on this shoot.

Who have been your favourite models of 2014? This is such a tough question! Becky Holt is as badass as ever and such an awesome babe. I shot with her for recently and it got kinky. So awesome. I've seen a lot of brilliant work from Jade-Fenix too, she's popping up everywhere recently and I love it! Eve Carroll is an all time favourite, too, beautiful person.

Outside of modelling, do you have any other passions? Too many! My problem is, I don't have enough time. I have my fingers in so many pies, I should really slow down. Right now I'm trying to, I'm a massive bookworm so I'm trying to get back to reading and writing more.

If you could be one person for the day, who would you be and why? Hitting me hard with the tough questions! Snoop Dogg. Or Snoop Lion? I can't keep up. He's completely ridiculous but no one fucks with Bob Marley's reincarnation.

If you could be in charge of Elite for one week, what would you do? Get a ton of seriously hot ladies together for a sleepover, get the pizza and alcohol in, then have a party (with live band) in a living room. photograph the whole thing have the next issue as a photobook of that happened on that night and interviews of all the girls that came. Is there a suggestions box? Can we make this happen?

If you could be a superhero, who would you be and why? Violet Parr (from the Incredibles), force fields and invisibility? Yes please.

Where's the worst place you've been? Being from Lancashire, I'm kind of obliged to say Yorkshire... Even though I have friends from there.. This is a mean question, let's move on!

So how can a guy impress you? Not be a total knob jockey? Confidence - not arrogance - is key. Appreciate art and literature. I'm a hopeless romantic so spontaneity goes a long way!

What's your favourite film?

Thumbelina. I want a fairy prince to come through my window, take me for a ride on his bumble bee and sing to me about wings and stuff.

What is the naughtiest thing you do? I regularly steal penny sweets from my local shop. It's a sickness, they're delicious.

What's your favourite fancy dress outfit? Got to be seeing grown men in Disney Princess dresses.

Jo & Yvie

Photographer: Tripodski | Words: Neale McGeever

Hi Jo, welcome to Elite! How did you enjoy the shoot? It was good fun, as always with you guys!

What was it like to work with Tripodski on this shoot? Relaxed and entertaining! Had a few good laughs and it was super chilled as I've worked with him a few times now.

What was it like to work with Hannah? Awesome, I've wanted to shoot with her for a while now as she has such a strong look.

What's Hannah's best feature? Well that's a hard one because her whole body is awesome obviously, but I'd have to say that her face is unbelievable beautiful!

What was the funniest thing to happen at the shoot? Probably when we were posing together, gazing into each other's eyes trying not to burst out laughing!

Outside of modelling, do you have any other passions? I'm a keen artist, photographer and all round creative being.

Who has been your favourite model of 2014? That's a hard one because there are so many amazing models out there! But the ones I follow most as I just can't get enough of them are Alysha Nett and Natalie Phillips.

**SO HOW CAN A GUY IMPRESS
YOU? IF HE KNOWS HIS WAY
AROUND A KITCHEN!**

What is the naughtiest thing you've done?
Oh I'm a nice girl! ;)

What's a guaranteed turn on for you?
Muscles!

Do you have any tattoos or piercings? I have 10 tattoos at the moment which I'm pretty sure is going to increase sooner rather than later and I have a few piercings, mainly the normal ones, ears, belly button, nose but the most adventurous are my nipples.

Are you a high heels or trainers girl? Last year I would have 100% said trainers but

A woman with long, wavy brown hair is lying on her side on a blue, tufted leather surface. She is looking towards the camera with a slight smile, her hand near her mouth. She has a large, intricate tattoo on her right shoulder. Her hair is styled with a side part, and she has a small white hair clip with a blue bow in it. She is wearing a purple top. The background is the same blue leather surface.

since I've become a bit older I'm back on the heel game, you can't beat a good pair of stilettos.

Beards - Yes or No? No thanks! I like a clean shaven well groomed man.

What's the worst idea you have ever had? Probably the idea of doing a SECOND degree! Did I not realise the mass amount of stress the first time round? Ha ha

Finally, is there anything you would like to say to the Elite readers? Thanks for the support folks! Peace and Love Xx

Hi Yvie, welcome to Elite! How did you enjoy the shoot? It was amazing, loads of fun and great to work with such talented and awesome people!

What was it like to work with Tripodski on this shoot? He just knew how to make the atmosphere really fun and just laid back and the shots he got were great! He really knows how to get the best shot and has great ideas for poses and settings.

DO YOU HAVE ANY TATTOOS OR PIERCINGS? PIERCINGS ARE EASIER TO NAME, I HAVE MY SEPTUM, MEDUSA AND TWO NAVEL PIERCINGS. AS FOR TATTOOS I'VE LOST COUNT! MAINLY MY LEGS AND ARM BUT CURRENTLY WORKING ON MY FULL BACK PIECE.

WHAT WAS THE FUNNIEST THING TO HAPPEN AT THE SHOOT? WE ORDERED THESE HUGE PIZZAS FOR THE SHOOT WHICH TOOK FOREVER TO COME SO ME AND JO WERE STARVING BY THE TIME IT GOT THERE BUT WE COULDN'T EAT IT OTHERWISE OUR STOMACHS WOULD BE POOFY FROM THE FOOD! BY THE TIME WE WERE FEEDING EACH OTHER THE PIZZA WAS COLD.

What was it like to work with Jo? Jo is an amazing person and I loved working with her, been meaning to for a while and glad I finally got a chance.

What's Jo's best feature? I'd say her bum, definitely. Just very peachy.

What's your best feature? Probably my legs, f**k the thigh gap!

Outside of modelling, do you have any other passions? My passion is travelling, I love going up and down the country meeting new people and seeing new places.

So how can a guy impress you? Old school manners go a long way, just a proper gentleman. I love all the soppy stuff!

Who has been your favourite model of 2014? It has to without a doubt be Ashley Holat (Dametualma suicide) she's just all around perfect!

What's a guaranteed turn on for you? Neck kissing! Works everytime.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? IT'S BEEN AMAZING TO WORK WITH ELITE AND I HOPE IT'S NOT THE LAST! WATCH THIS SPACE PEOPLE, YVIE IS GONNA TAKE OVER.

SOPHIE B

Hi Sophie, welcome to Elite!

What have you been up to?

Hi! I've had a couple of weeks off shooting for Christmas and spent the new year catching up with friends and family, but now it's back to work and I kicked off the new year shooting for the Daily Star P 3 which I'll be in next week!

What was it like to work with

Andy on this shoot? It was my first time shooting with Andy so after seeing his work I was really excited for our shoot! We both had lots of fun ideas.

Who have been your favourite models of 2014?

Cara Delivingne always looks amazing and every single Victoria Secret model from 2014's catwalk! Those girls are unreal.

What was your favourite part of the shoot?

When Andy told me to just throw loads of random stupid faces at him haha, we got some fun shots :)

Outside of modelling, do you have any other passions?

Yes I love dancing and anything girly! I'm obsessed with trying out new make-up looks and I also love shopping for new outfits and ideas for shoots.

If you could be one person for the day, who would you be and why?

Michelle Keegan simply because she's so perfect! My girl crush for sure.

If you could be in charge of Elite for one week, what would you do?

Put all my girl crushes on each page and me on the cover! ;)

**IF YOU COULD BE A
SUPERHERO, WHO WOULD
YOU BE AND WHY? PROBABLY
WONDER WOMAN BECAUSE
THE OUTFIT IS SO SEXY!**

**SO HOW CAN A GUY IMPRESS
YOU? MAKING ME LAUGH
IS EVERYTHING. AND BEING
SPONTANEOUS AND NOT IN
LOVE WITH THEMSELVES.**

**WHAT'S YOUR FAVOURITE
FANCY DRESS OUTFIT? IT HAS
TO BE THE CLASSIC SLUTTY
BUNNY - LIKE REGINA GEORGE
IN MEAN GIRLS!**

**WHAT'S A GUARANTEED
TURN ON FOR YOU? I LIKE TO
BE TAKEN CONTROL OF AND
BEING TOLD WHAT TO DO ;)**

**DO YOU HAVE ANY CRAZY
PHOBIAS? IT'S NOT A CRAZY ONE
BUT I'M PETRIFIED OF PLANES.**

Where's the worst place you've been? Luckily I've not been anywhere I can call a bad place!

What's your favourite film? Mean girls! I annoy anyone I watch it with as I know the script word for word and put on a bad American accent.

Finally, is there anything you would like to say to the Elite readers? It's my first time in Elite so thank you for having me and if you enjoyed my interview follow me on Instagram @sophiebmodel and my Facebook page - Sophie B... See you again soon! Sophie xoxo

SHERELLE NICOLE

Hi Sherelle, welcome to Elite! What have you been up to? Well I've just passed my driving test, third time lucky so I'm over the moon about that right now, hasn't sunk in yet. I've been rushing around trying to sort out some insurance for my car so I can get myself on the road and I'm absolutely bricking my first drive alone! I may even make my cat sit in with me for moral support

What was it like to work with Jack on this shoot? It was amazing, I was so flattered when he wanted to discuss a shoot, he's a super cool guy and the shoot was real fun

What was your favourite part of the shoot? All of it was great but I really enjoyed doing the studio work.

Outside of modelling, do you have any other passions? I'm a big reader, I love books I'm a proper geek when it comes to reading...Oh and shopping, every girl loves to shop right!

If you could be one person for the day, who would you be and why? Oh that's easy, Megan Fox... just so I could stare at myself naked all day, she's super hot.

If you could be in charge of Elite for one week, what would you do? I think I'd literally get all of the girls that have ever shot for Elite into one big super hot photoshoot, that would be amazing

If you could be a superhero, who would you be and why? Hmm, probably Catwoman, just so I could rock the PVC catsuits on a daily basis.

Where's the worst place you've been? Camping in the middle of nowhere in Bewdley, was awful. Couldn't sleep because it was so so cold and all I could hear was cows mooing all night, not a great experience!

Photographer: Jack Russell | Words: Neale McGeever

SO HOW CAN A GUY IMPRESS YOU? WELL, HE WOULD HAVE TO HAVE A PAIR OF BOOBS FOR STARTERS, I'M A LADIES LADY IF YOU KNOW WHAT I MEAN. GUYS DON'T DO IT FOR ME (SORRY BOYS) GIRLS ON THE OTHER HAND, THAT'S A WHOLE OTHER SUBJECT ;)

What's your favourite film?

White Chicks for sure, it's hilarious I know it word for word.

Do you have any crazy phobias?

I'm not really phased by anything so that's a no.

What is the naughtiest thing you do?

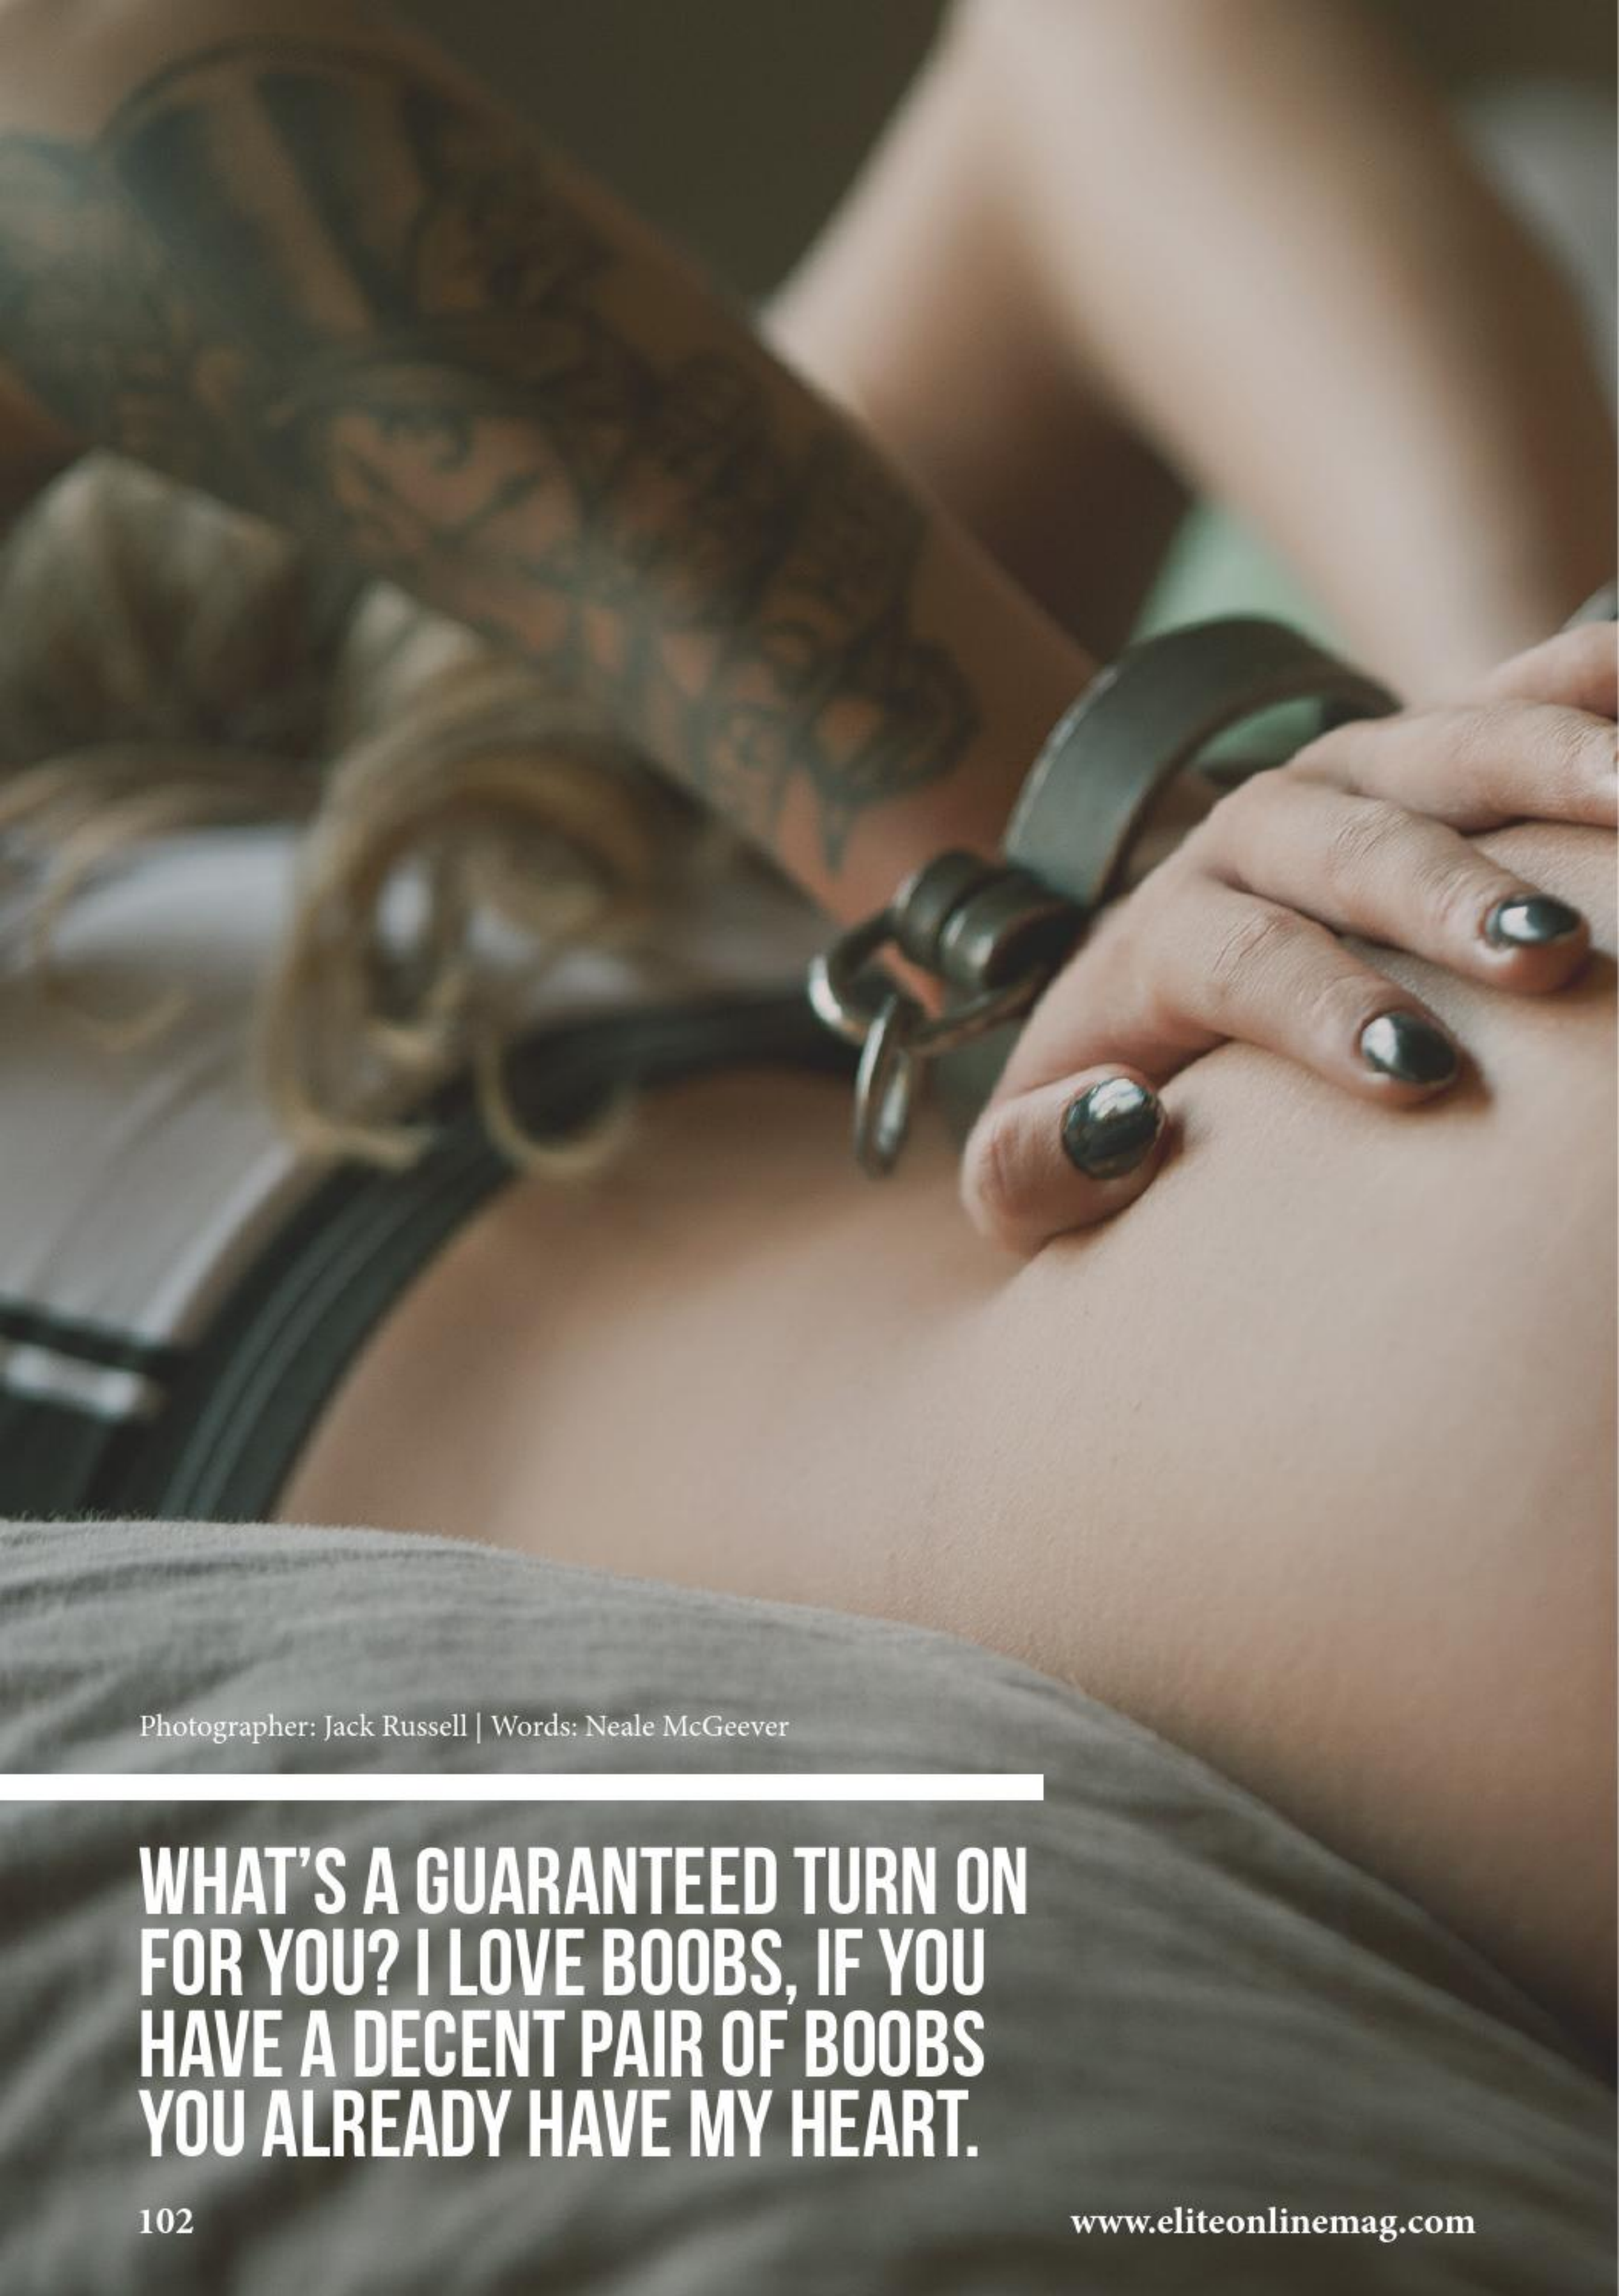

Well I tend to have really random sexual urges in like the most inappropriate of places, sitting behind the desk at work for example. Once I have the urge there's only one way to get rid of it... no matter where I am!

What's your favourite fancy dress outfit?

Probably a sexy vampire outfit, latex and bloody gore, after seeing Megan Fox in 'Jennifer's Body' I just find vampires so hot!

Photographer: Tripodski | Words: Neale McGeever

Hi Natalie, welcome to Elite!
What have you been up to?
Hey, thanks again for having me!
Well I recently treated myself to a Playstation 4, I've been stuck to it ever since! I should probably get an interesting hobby, haha.

What was it like to work with Tripodski on this shoot? He's always a pleasure, we always have a great laugh!

If you could be one person for the day, who would you be and why? I'd probably like to see what it would be like to be a guy for a day. I couldn't imagine having a penis! Haha.

If you could be in charge of Elite for one week, what would you do? I would have pizza week, everything will be based around pizza!

If you could be a superhero, who would you be and why?
Hmm! I'd definitely want a flying power, I've always wanted the ability to just fly away in awkward life situations...

Do you have any crazy phobias? I have a rather strange phobia of things I don't feel safe on... It totally freaks me out if I don't feel safe on old swings and stuff! Gives me chills thinking about it!

So how can a guy impress you? I'm usually mostly impressed by guys trying not to impress me, composure and honesty. I love genuine people and I like finding out everyone's unique qualities.

What is the naughtiest thing you do?
I sometimes don't wear underwear to work because it's just more comfortable haha.

What's a guaranteed turn on for you?
Dominance!

What's your favourite fancy dress outfit?
I love looking after him, so definitely a nurse!

Finally, is there anything you would like to say to the Elite readers? I just want to say a big fat thank you! X

REBECCA RELOVIE

Hi Rebecca, welcome to Elite! What have you been up to? Hiya! Thanks very much! The past couple weeks have mainly consisted of too much food, too much booze and not enough sleep. But I've spent precious time with some of my favourite people!

What was it like to work with Dekker on this shoot? Ha! Working with Dekker was certainly an experience. He's the nicest guy, welcoming and comfortable to be around and he's quickly become one of my favourite people to work with. Although armed with a water bottle he's lethal *enter evil cackle*.

What was your favourite part of the shoot? I'd say the best part of the shoot was that I didn't feel like I was doing 'a job' I was shooting with a friend. Although we only met that day, Dekker made me feel so comfortable and we chatted for ages before we started shooting that it didn't feel like business at all. We've kept up contact since then and planning more shoots for the future.

Who have been your favourite models of 2014? That's a toughie. I've always been a lover of Ali Amour and Dolly Diamond, they're beautiful girls. I'd say Zoe McGarry has been at the top of my list! She's damn fine! Certainly one of my inspirations for wanting to be an alt model.

Outside of modelling, do you have any other passions? I'm a Personal Trainer and a dancer. I've been dancing for twenty years and I regret to say I don't do as much as I want to! I'm hoping to get back into gymnastics, I was a regular competitor when I was younger.

If you could be one person for the day, who would you be and why? I'd choose, anyone who can wail on a guitar like a mother fucker. I've only recently started learning and I suck. I get so frustrated that I can't play like I want to.

If you could be in charge of Elite for one week, what would you do? Haha in charge of Elite for a week? You'd probably be pulling it out of the gutters by the time I was done with it. Maybe sexy pictures of food? Y'know pictures of pizza provocatively revealing it's pepperoni slices... Now I'm hungry.

If you could be a superhero, who would you be and why? Easy, Catwoman. I'm a cat lover and I'd have control of all the felines and command them to be my tiny fur baby army.

Where's the worst place you've been? I haven't traveled a lot so I'd have to say Newport in Wales. It's vile.

What's your favourite film? My current favourite film is Maleficent. I've seen it easily over twenty times in the past couple weeks, I never get sick of it! It's quite interesting to see a different take on the classic Sleeping Beauty story. Plus Angelina Jolie is a babe.

Do you have any crazy phobias? Yes, it's plasticine... but only when it's animated like Wallace and Gromit. I had a Wallace and Gromit clock radio when I was little and I dreamt it would turn itself on in the middle of the night and start talking to me. Just something about their bug eyes and their mouths *shudder* it really weards me out!

So how can a guy impress you? A guy for me, has to accept me for who I am. It's a huge part of what I would look for in someone, I'm very honest and brash and some guys don't like it. I have to feel totally comfortable around them, to be able to burp and be disgusting without worrying it'll bother him. I also enjoy the little things, being at peace in total silence, not having to feel like conversation needs to be made. Aside from the usual he has to make me laugh and be kind and loving etc... He's also got to be a bit complicated in a way. Life is boring without someone to challenge you.

What is the naughtiest thing you do? Me? Perish the thought! When I was in University, I used to steal flapjacks from the Cafe. I'd probably owe them hundreds of pounds worth of Caramel flapjacks by now.

What's a guaranteed turn on for you? Oh come on now that would be telling! It sounds ridiculous but if I know a guy thinks about me when I'm not around, that he tells his friends about me and gets butterflies in his stomach when we see each other... That is more satisfying for me than anything.

What's your favourite fancy dress outfit? It has to be anything to do with horror/fantasy. The fake blood, white out contacts, and a perfect excuse to rip up any clothing you don't want anymore! I really wanted to go as Sally from The Nightmare Before Christmas for New Year but it was super expensive!

Finally, is there anything you would like to say to the Elite readers? I'm still very new to the modelling industry so I appreciate all the support I'm receiving like you wouldn't believe. Thank you so much for all your kindness and love! I hope to be a more regular face for you guys in the future, oh and Happy New Year! Toodles!
